

CHARLEMAGNE ELEMENTARY

Dear Charlemagne Families,

I would like to take this opportunity to welcome all students and families to the 2020-2021 school year at Charlemagne. I know that this will be a very different experience for ALL of us this fall due to the impact of Covid-19 in our community, state and world. I know there will be more questions than answers and that things could change along the way, **but we are in this together**. One thing I know for certain is that Charlemagne teachers and support staff love our students and will do everything in their power to make sure your student feels loved, cared for and will work hard to meet their academic goals. There is a lot of information I need to share with you. I will be as clear and concise as possible.

New Faces at Charlemagne – Please help me welcome our new Charlemagne staff members:

- Nicole Thorburn- First Grade (Half time along w/Sara Roadman)
- Genna McClaren (French) – Fifth Grade
- Rebecca Robinson (English) – Fifth Grade
- Gabe Mickola- Counselor

Daily Schedule - Below you will find our daily schedule for Comprehensive Distance Learning. A few weeks ago, 4J presented a daily schedule in which each grade level would fall into one of three different schedules. At Charlemagne, Kindergarten and First Grade will be Schedule #1. Fourth and Fifth Grade will be schedule #2, and Second and Third Grade will be Schedule #3. Our schedule relies on specialist schedules and their work in multiple buildings. It is always our intent to maximize the time our students access intervention supports and other district services. When class lists are set you will meet virtually with your child's teacher to go into more detail about the daily schedule.

Class Lists - Class lists will be released next Thursday afternoon. You will receive a welcome email from your child's teacher. You will also be invited to schedule a virtual conference so you can talk in more detail about the school year.

First Week of School - The school year officially begins on September 14th. While the daily schedule below details what a typical day will look like, the goal of the first few weeks of school is to slowly build toward that schedule while focusing on care and connection with students.

Tech Distribution - Every student at Charlemagne needs to pick up an iPad for Comprehensive Distance Learning. Tech Distribution will take place on **Thursday, September 10th and Friday, September 11th from 8am to Noon and 1pm to 5pm**. Drive thru pick up will be in the front parking lot of the school.

School Supplies - Families do not need to purchase school supplies. Charlemagne teachers are putting together a list of what is needed for each student and those supplies will be ready for pick up. While we hoped to have them ready for our Tech Distribution, we will most likely have to hold another pick-up day later in September.

I am very happy that you and your student is a member of our school community. We will navigate this school year together with grace, flexibility and a whole lot of care and connection.

Sincerely,

Garrett Bridgens, Principal

CHARLEMAGNE ELEMENTARY

Comprehensive Distance Learning Daily Schedule

Synchronous ("Live") Learning

Synchronous "Live" or Asynchronous "On Demand" Learning (Family Choice)

Asynchronous Applied Learning

K-1

Schedule #1
